

## Evervue Splash Speakers

Bring the highest level of tone quality into your bathroom with our Evervue Speakers. The power of an orchestra concert to the serenity of a flowing river, these speakers will add an extra dimension to your Evervue bathroom experience

### EVERVUE SPLASH SPEAKERS

Feel free to splash around with our newly designed Evervue Splash Speakers series. These water resistance speakers provide crisp, high-quality sound and are perfect for those high moisture areas where no conventional speaker dares to go.

Our Evervue Splash speakers provide high quality audio in any bathroom. The Mylar technology guarantees excellent audio quality in any bathroom or anywhere moisture or water splashes are an issue.

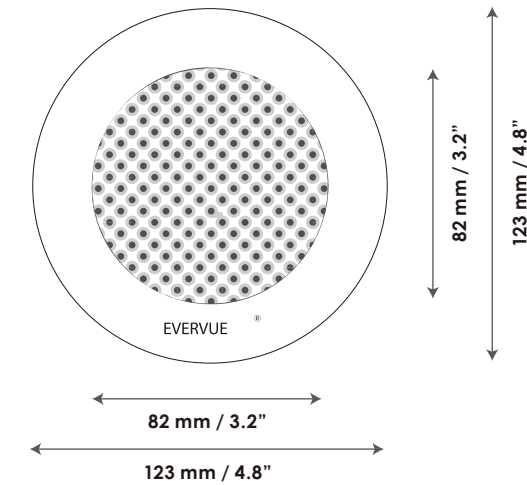

### EVERVUE PREMIUM SPEAKERS

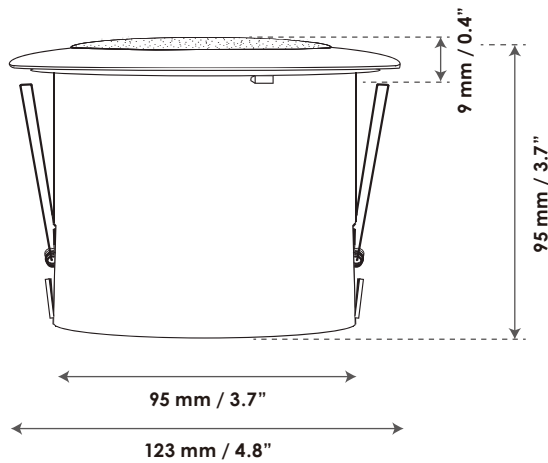

Enhance your Evervue experience and enjoy concert hall audio quality with our, Evervue Splash Premium Speakers. With our Splash Premium Speakers you can add an extra dimension to your Evervue bathroom experience.

The speakers can be recessed mounted and come standard with a stylish white grille front and a 20' (6 meters) premium audio cable. The premium splash speakers are compatible with all Evervue TV's.
